Date

Please note garage tenancies will not be offered if you owe rent or monies to the Council from a current or former tenancy.

Garage and garage site allocation policy

The current policy is that garages/plots are allocated in priority order and then in date order. When allocating garages or garage plots we look at applications in the highest priority Category first and only move on to lower priorities if there is no suitable applicants left.

Priority one

Any current garage or garage site tenant who we wish to move to another plot for Management reasons e.g. demolition.

Priority two

Current council house tenants in date order of application.

Priority three

Non Barnsley Council tenants in date order in application.

Priority four

Current garage/site tenants wanting additional garage/site.

Transfers from one garage to another

Any applicant who has a garage/garage site tenancy and who wishes to transfer to another site must make a new application and will be considered in line with the above priority scheme.

The garage site scheme is currently under review. Therefore we may not be able to process your application straight away. Once a decision has been made about the future of this scheme, we will inform all applicants in writing.

Please return completed application forms to Lettings Section, Berneslai Homes, Head Office, PO Box 627, Barnsley, S70 9FZ.

For office use only
