

Communal bins

for use by residents of your flats

You have been provided with large containers for your general waste and a range of different coloured bins for your recycling.

Details of what can be recycled and which coloured bin to put them in are printed overleaf and you should only use the large black containers for waste that cannot be recycled.

Help us to collect your waste by ensuring that the bin storage area is kept clean and tidy and clear of any excess waste. Our crews will only collect waste and recycling that is in your containers or bins.

You can further help us by ensuring that we have clear and unobstructed access to the entrance of the bin store.

If you have any queries or require further information please contact us by email at wastemanagement@barnsley.gov.uk or phone our helpline on 01226 772045.

You should also contact us if you require additional recycling bins.

BARNESLEY
Metropolitan Borough Council

 **recycle**
