#### Garage and garage site allocation policy

The current policy is that garages/plots are allocated in priority order and then in date order, when allocating garages or garage plots we look at applications in the highest priority category first and only move on to lower priorities if there is no suitable applicants left.

#### Priority One

Any current garage or garage site tenant who we wish to move to another plot for management reasons e.g. Demolition.

#### Priority Two

Current council house tenants in date order of application.

#### Priority Three

Non Barnsley Council tenants in date order of application.

#### Priority Four

Current garage/site tenants wanting additional garage/site.

#### Transfers from one garage to another

Any applicant who has a garage/garage site tenancy and who wishes to transfer to another site must make a new application and will be considered in line with the above priority scheme.

The garage site scheme is currently under review. Therefore we may not be able to process your application straight away. Once a decision has been made about the future of this scheme, we will inform all applicants in writing.

## Application for a Garage/Garage Plot

**Please Select from one OR both of the following:**

**Are you applying for:**

Garage Only		Garage Plot ** Only		Either	
----------------	--	---------------------------	--	--------	--

\*\*This is a plot of land where you erect your own pre-cast concrete or brick built garage – you will be required to obtain planning permission from BMBC before you can build your garage, there will be an additional cost for this which you will be responsible for.

**Please specify where you would like your garage / plot on the next page.**

**Once you have completed this form please return it along with the copy of your log book to:**
