

# Your local recycling sites

**Barnsley provides 50 bring sites for recycling throughout the borough offering facilities for a wide range of recycling including glass, paper and textiles.**

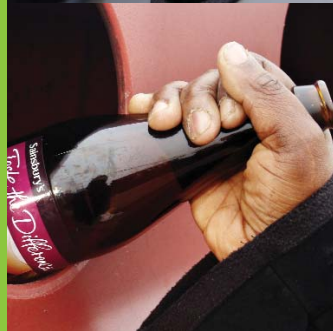

**A full list of locations of these sites is listed overleaf.**

Most sites are available 24 hours a day, 7 days a week.

There is no limit on quantities of recycled materials placed in containers provided they are not full. Please do not place bags of recycled materials by the containers as these make the site look untidy and can cause a hazard.

If a container is full please report this to our helpline on 01226 772045.

If you would like further information on recycling bring sites please contact the waste management team on 01226 772045 or by email to [wastemanagement@barnsley.gov.uk](mailto:wastemanagement@barnsley.gov.uk)
