

Berneslai Homes

Guide to equality and inclusion

We are Berneslai Homes and we work with Barnsley Council.

We want to make sure everyone in Barnsley is respected and treated fairly.

This makes Barnsley a place where people are happy to live.

We are proud to be working in Barnsley helping **all** of the people in the community.

Equality and Inclusion

This means everyone has equal access to education, jobs, services and activities.

It also means everyone is treated fairly and respectfully. Including people with special requirements.

At Berneslai Homes all of our staff will:

- Treat people fairly, with dignity and respect
- Not judge people, but treat them as individuals
- Give equal access to our services
- Not discriminate, harass or bully
- Recognise and respect that all people are different

We also know it is important for people in the community to get on with each other.

Otherwise people could feel excluded and lonely.

We promote inclusion by:

- Supporting people from different cultures to get along

- Teaching people new skills so they can get a job

- Giving advice on managing money and bills

- Helping people learn to use online services

We work in Barnsley and are proud to be part of the local community.

We want to make sure that our services include everyone and Barnsley is a great place to live.

We support various local events throughout the year.

This gives us the chance to meet with local people and hear what they about our services.
