PACT Meetings

Partners and Communities Together (PACT) meetings are regular forums where local residents can interact with their neighbourhood policing team to discuss issues, set priorities, and learn about actions taken to address concerns. They are open meetings, any tenant or resident can go along and are attended by South Yorkshire Police (SYP), Berneslai Homes and Barnsley Council.

For more information on PACT Meetings, visit [Barnsley Council's website](#).

YCYS Meetings

Your Community, Your Say (YCYS) meetings are open meetings where any tenant or resident can come along to discuss local issues. They are attended by Berneslai Homes and partners.
